Description

The P778-010 KVM cable kit is designed to connect a USB or PS2 computer to NetDirector® KVM Switches B020-U08-19-K and B020-U16-19-K. This premium all-in-1 cable provides superior performance and cable management. It consists of a USB and PS/2 keyboard/mouse cable and a monitor cable bonded into a single unit. This low-profile cable is incredibly flexible, making cable management a breeze. All cables are manufactured from superior molded cable with integral strain relief and foil shielding for maximum EMI/RFI protection.
